The figures shown include all the costs of this share class, but may not include all the costs that you pay to your advisor or distributor.

The figures do not take into account your personal tax situation, which may also affect how much you get back. What you will get from this share class depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.

The unfavourable, moderate and favourable scenarios shown are illustrations using the worst, average, and best performance of share class R over the last 1 year and 5 years. Markets could develop very differently in the future.

The stress scenario shows what you might get back in extreme market circumstances.

Your maximum loss would be that you will lose all your investment.
