

Factsheet

ASN Milieu & Waterfonds LI

Fund profile

ASN Milieu & Waterfonds is a sector fund. It invests globally in equities of promising, listed companies that focus on the development, production and sale of technologies and systems that help solve environmental problems. The fund invests in water treatment, renewable energy, waste treatment & recycling and food & agriculture. The mostly young companies in the fund usually invest their profits in the development of new technologies and therefore pay little to no dividends, which is why ASN Milieu & Waterfonds often distributes a very small dividend. The fund offers opportunities for a high return as a result of price increases, at a high risk.
